Volunteers Needed to Provide Home Communion

Communion at the Lord's table is a holy and sacred sacrament that is greatly missed when a faithful follower becomes homebound and unable to attend church. The Home Communion Team at First UMC Muncy is a dedicated group of volunteers who make sure that our homebound friends are still able to receive communion even if they can't be with us in our church building. The Home Communion Team is currently looking for more volunteers to help provide this important ministry to our homebound friends. The Home Communion Team goes out once a month, usually in pairs. New volunteers will receive training and will be paired with another person who has experience. If you would like to be a part of this vital ministry, please contact Betty Jo Soohy at 570-584-2675.
