Conference Opens Summer Camp Registration for 2022

The Susquehanna Conference has begun receiving registrations for the 2022 summer camping season. The conference has five camp properties to choose from and they offer camps for children from kindergarten through 12th grade as well as camps for adults and families. The Conference also offers camps and retreats throughout the year. There are a wide variety of camp themes to choose from. Anyone who registers before May 1st for summer camp will receive a \$25.00 discount. Brochures (including registration forms) are available on the Connection Tables. However, the easiest way to register is by going online to the Susquehanna Conference Camp and Retreat website. If you have any questions, please contact Pastor Rick as he is a big advocate for the camping program.

Easter Lawn Crosses Available

A church member has generously donated Easter Lawn Crosses for any family in the church who would like one or two. The crosses are to be displayed in your lawn from Good Friday through Eastertide to show passersby what Good Friday and Easter mean to you. The crosses

should be placed in your lawn on Good Friday with the plain white side out so people passing by can see it. Then on Easter morning, the cross should be turned to display "He Is Risen." The cross should be removed on the Saturday before Pentecost (June 4th) and saved for future years. The crosses will be available in the narthex and outside the Living Water Café this Sunday, April 3rd.
