## Sewing Blessings

*Submitted by Nancy Grove*

Thank you to all who have participated in making caps for cancer patients. The first delivery to Hillman Cancer Treatment Center will be next week but the project will continue as an ongoing mission. When we hosted the Conference Bishops this week, we were able to bless a conference staff member, whose wife is undergoing cancer treatment, with a cap in her favorite color. If you know a cancer patient who might be blessed by receiving a cap, feel free to take one from the table.

Anyone interested in making caps is welcome to join Mission Stitcher's on the third Saturday of each month from 9:00 a.m.-12:00 p.m. in the Celebration Center to learn how to knit, crochet or sew them. Supplies are available. Questions about knitting can be directed to Cindy Campbell or Jo Langer. Crocheting and sewing pattern questions can be answered by Cindy.

## Save the Date VIM Week - July 11-15

I would like to thank everyone who helped us provide a warm welcome to our conference bishops, conference staff and guests on Tuesday evening. If you helped welcome our guests in the parking lot, at the doors, in the hallways or at the refreshments table, your ministry was very much appreciated. I believe we provided excellent hospitality and everyone felt well cared for. Thank you!

-Pastor Rick
