Winter Concert Churchwide Event

The next churchwide project will be an afternoon and evening winter concert event which will be open to the public. The event will be held on February 3rd and will feature a concert by southern gospel singer Jeremy Garner beginning at 3:30 p.m. in the Celebration Center. The second concert will feature contemporary Christian musicians, The Danelle Cressinger Band and will begin at 7:00 p.m. in the Celebration Center. In between the two concerts (4:30-6:30), food will be served in the Living Water Café. Aly's Monkey Movement, a local mission, will also have a display in the Living Water Café throughout the event. Individuals are welcome to come and stay for the entire event or for individual pieces. Free-will offerings will be taken for both concerts and for the food with all proceeds going to benefit Aly's Monkey Movement.

This is one of the four churchwide events for the year, meaning that all of the ministry teams will be working together to organize and run the event. Please consider attending one or both concerts and joining us for food and fellowship in the Café in between. Bring your friends and family for a fun afternoon and evening that will benefit a great cause. To learn more about Aly's Monkey Movement, go to their website [here](#).
