Homemade Apple Sauce

The Hospitality crew will be making homemade apple sauce for use during upcoming meals at the church. If you would like to help, they are meeting in the church kitchen on Monday, September 11th at 9:00 a.m. All are welcome to join.

There's still time to register for the upcoming study, "Just Walk Across the Room: Simple Steps Pointing People to Faith." Here are a couple of reasons you should consider being a part of it:

"We have several people interested in becoming members of our church and every one of them, without exception, began to attend after receiving a personal invitation. That's one reason why I think this study is so important." -Pastor Rick

"I strongly support this upcoming study at FUMC. I used this same study and book many years ago at my previous church as a guidebook for expanding evangelism within our congregation. This is a great study on getting people involved with promoting Jesus Christ to others and the importance of passing on your faith while opening the door for people to experience God's blessings." - Dick Langer

Remember - you can sign up at the Connection Tables on Sunday or register [online here](#). See all important information to the right in the "Reminder" box.
