Volunteer Opportunities with the Trustees

The Trustees are looking for help with poison/landscape clean up along the church property line on Saturday, May 3rd beginning at 9:00 a.m. They will need helpers with trucks, trailers, saws and pruners. Please dress appropriately and take precautions to avoid getting poison.

The Trustees are also looking for helpers for landscape maintenance throughout the summer. This is in addition to the previously planned mowing and trimming. The job includes providing a weed free area around the church. If interested, please attend a meeting on Saturday May 3rd at 10:00 a.m. They will meet under the portico on the lower level of the church. If you would like to help but can't attend the meeting, please call/text Dani Eck at 570-412-3175.

Contemporary Service Consecrates New Altar

During worship on April 6th, close to 100 worshippers at the Contemporary service consecrated a new altar and used it to serve the communion elements for the first time. The altar was designed and built by Lee Koser and matches beautifully with the Living Water Café's theme. The new altar is the result of many months of designing, planning and creating with Lee and Pastor Rick working collaboratively. Stop by the Living Water Café the next time you are in the building and take a look at this beautiful work of art. THANKS LEE!
